## 2<sup>nd</sup> Verse

*Cadd9*                      *Cadd9/F*                      *Gsus4*                      *G*  
 When you're alone and crying on the battleground, your heart has lost the beat.  
*Am7*                      *Dm7*                      *Gadd9*                      *G*  
 Your friend will lift you up and help you out 'cause that is what you need.  
*Cadd9*                      *E7*                      *E7/Gis*                      *Am*  
 So they can make you happy and find your heart's new sound.  
*Dm7*                      *Dm7/F*                      *Dm7/G*                      *Gsus4*  
 Now you feel your heartbeat in the rhythm, you can feel it all around.

## Chorus

### Bridge

## 3<sup>rd</sup> Verse

*Cadd9*                      *Cadd9/F*                      *Gsus4*                      *G*  
 Look at the deep blue sky with snow-white clouds. Do you feel the breeze?  
*Am7*                      *Dm7*                      *Gadd9*                      *G*  
 Feels like the good old days when we were playing games under those maple trees.  
*Cadd9*                      *E7*                      *E7/Gis*                      *Am*  
 We could stay here forever, it kinda feels like home.  
*Dm7*                      *Dm7/F*                      *Dm7/G*                      *Gsus4*  
 When we're singing and laughing and watching, the rivers pretty foam.

## Chorus

*C*                      *F/C*                      *G/C*                      *C* /*H*                      *Am*                      *F6*
